MARK YOUR CALENDARS!

Madison Campus Church and Elementary School are going to be celebrating their 100th year anniversary the week-end of March 11, 2006. Please reserve this date on your calendars. Sabbath afternoon the whole elementary student body and teachers will be putting on a scenic walk through the history of Madison culminating with a musical program and hymn sing. We will be needing costumes depicting typical dress of 100 years ago, and any antique school desks and other such props. It would be really exciting if each student and teacher could dress up in costume. If you have Questions regarding this special weekend, see Mrs. Closser.

LOST BOOK

Mrs. Wood has lost a brand new Christmas Craft Book. If you picked it up by mistake, please return it to the Art Department as soon as possible.

PHYSICAL EDUCATION NEWS

JUMP ROPE FOR THE HEART:

Yesterday was the kick-off for our annual Jump Rope for Heart campaign. Students watched a video and received information on how to solicit donations for the American Heart Association from family, friends, and neighbors. Watch for the sponsorship form and collection envelopes to come home with your child today. This is only a one week campaign. **All sponsorship forms and money must be turned in to the classroom teachers by next Wednesday, November 9.** Last year our school raised \$600 during the Jump Rope for Heart campaign. That averages out to less than \$3 per student. Let's see if we can do even better this year!! Our Jump Rope for Heart Fun Day will be during PE class next Thursday, November 10. I could use 4-5 parent volunteers during the morning classes (8:30-11:30) to turn long jump ropes for the younger children. If you can help during any or all of that time, contact Dr. Morgan or let your classroom teacher know. Thanks!

INTRAMURALS:

We have had an excellent turnout for our flag football intramural program! Fifty-two students have signed up to participate. Today, Nov. 2, was supposed to be the last day for flag football, but if the dry weather holds, we will continue the football intramural season for 2 additional weeks (until November 16). **There will be NO substitute indoor activity scheduled on those 2 Wednesdays, so if it rains, intramurals will be canceled.** We also want to say a big thank you to our cheerleading squad led by Mrs. Stacie Murphy. Thanks for coming out, even on the colder days, to cheer our players on!!

OUTDOOR EDUCATION

By Ethan Prow

Outdoor Ed was fun. We had classes on backboarding, bats, orienteering, ecological footprints, animal tracking, bridge building, and jungles. Outdoor Ed is not just about having fun, but learning about God. The classes were very fun. My favorite class was bridge building. We learned how to make bridges that are strong.

At the end, we had a contest on whose bridge was the strongest. One bridge held 91 pounds! Some bridges only held about 30 pounds.

Outdoor Ed is not only about having fun, learning, and learning about God. We also made new friends. Some of the most fun stuff occurred during recreation. During recreation, we played dodgeball and darebase. Afterwards, we went to praise and worship. Next, we went on a night hike in the woods.

Animal tracking also was fun. We took a hike down to the lake to find footprints. Once we found the footprints, we poured plaster into the print and made a hard track. Once we made the prints, our instructor told us which animals the tracks were, and which gender they were. They also told and showed us how to track them.

At Outdoor Education, we had fun learning about God through nature!
