Students 8 years old and younger must have a booster seat.**

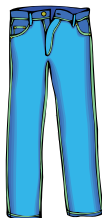

**Dismissal will take place from the Skate Center at 11:15 SHARP. After School Care will not meet that day, please make arrangements to have your child picked up at that time.**

## KINDERGARTEN ROUND UP

Our Kindergarten Round Up Day is scheduled for April 18th. This is a special day when we will meet with prospective students and parents for the 2006-2007 school year. If you know of a child who will be 5 years old by August 15 and would like to attend our Round-Up Day, call the school office. We will be glad to put him/her on our invitation list.

## LOST AND FOUND

Our lost and found containers are overflowing again! There are tables in the hallway outside the office with all items displayed. Please take a minute to check and see if anything belongs to your family. Thanks!

## DIGITAL PHOTOS WANTED

If you have good digital photos of the 100th year celebration last weekend, and would be willing to share them with us, let the school office know. They will be used for a CD of photos. Thank you.

Wherefore Thou art great, O Lord God: For there is none like Thee,  
Neither is there any God beside Thee. 11 Samuel 7:22

**MADISON ACADEMY SPRING FLING**

Madison Academy is holding a Spring Fling on April 9 from 11:00 am—3:00 pm. Individual or class acts are wanted. If you are interested in participating, please contact Jackie Knight at 568-3447 or 228-1013.

**YOUTH SOFTBALL LEAGUE**

If you interested in signing up your child for playing in a Christian softball league this year, there are application forms in the school office. The form also has a phone number to call for information. The league is sponsored by the Neely’s Bend Baptist Church.

**BASKETBALL GAME!**

Our final basketball game for the intramural basketball season will be held here in the MCE gym Saturday night, April 15. More details to follow soon.

**HUGE YARD SALE COMING SOON!**

The third graders are hosting their 1st annual Community Yard Sale, but YOU will benefit too! Here’s how it will work: You pay the 3rd grade class \$10 for each parking lot space that you would like to use for your sale. Then Sunday morning, bring your “stuff”, set up at your spot, and enjoy the day of friendship fun, and shopping!

1. You keep all the money from your sale!
2. You and the community get to browse, buy, and sell.
3. The 3rd graders make money for their classroom!

EVERYONE benefits!! Start getting your “stuff” together now— spring break is a great time to do this. See Ms. Angelo or a 3rd grader to reserve your spot. Remember: “One man’s trash is another man’s treasure!”

**PE NEWS**

This is our last week of basketball skill development in PE. Our emphasis on Tuesday was on how to pivot properly. We learned the footwork first and then incorporated the pivot into passing, shooting and dribbling drills.

Thursday we will try to combine all the knowledge and skills we have practiced thus far and use them in a game situation.

Basketball intramurals are going well. We have over 50 students participating in our after-school games! Intramurals will continue this Thursday at the regularly scheduled times. We will take a week off for Spring Break and then meet for two more weeks, April 6 and 13. Our culminating Saturday night games for both age groups will be on Saturday, April 15. Mark your calendars for this event!

**MCE BASKETBALL GAME**

The culminating basketball games to end our intramural basketball season will be held, Saturday night, April 15. Mark your calendars now for this big event. More information will follow in future Updates.
